KÄRCHER

Floor Scrubbers

Optimize floor cleaning with equipment that delivers better results than a mop and bucket. We offer a wide range of models designed for different floor surfaces and the types of soil you need to remove.

Vacuums

Our vacuums effectively remove both wet and dry debris from a wide variety of horizontal and vertical surfaces. Choose the model that best suits your needs based on factors such as weight, ergonomics, manoeuvrability, durability, and ease of maintenance.

Mechanical Sweepers

Our complete line of walk-behind and ride-on mechanical sweepers combines safety and efficiency. Suitable for both indoor and outdoor use, they clean hard floors and carpets faster and more effectively than traditional brooms. We offer models for facilities of every size, including a full range of battery-powered sweepers.

Carpet Extractors

Keep carpets looking their best with deep-cleaning extraction equipment. Choose the model that meets your needs, including canister extractors, rotary jet extractors, self-contained extractors with integrated brushes, and encapsulation systems.

Floor Polishers

Our floor polishers are designed to deliver a flawless finish. They scrub, restore, and polish floors to keep them looking like new day after day.
