EQUIPMENT

Preventive Maintenance Program

An equipment maintenance program that gives you peace of mind

Through our partnerships with leading equipment manufacturers, Sani Marc's local teams of experts provide the support you need to operate, maintain, and repair all your equipment.

SANI MARC 

Hands-on Hygiene®

Recommended for:

Autoscrubbers

Mechanical Sweepers

Carpet Extractors

Polishers

Vacuum Cleaners

We Keep Your Cleaning Equipment Performing at its Best

Inspection and adjustments every 4 months.

Detailed assessment of your equipment's condition.

Recommendations for proper equipment operation and maintenance.

Replacement of damaged parts.*

* Cost of parts not included.

We inspect and adjust every component of your equipment:

- Mechanical components
- Electrical components
- Tank and solution system components
- Filters
- Hubs, fittings, and pivot points

Prevent Costly Repairs and Save in the Long Run

- We catch small issues before they become major problems.
- We provide training on the proper use of your machines.

Discover even more benefits of choosing Sani Marc's Preventive Maintenance program:

Keeps your equipment performing at its best.

Minimizes downtime and keeps your operations moving.

Extends equipment lifespan by up to 50%.

Enjoy a preferred 20% discount on hourly labour rates, anytime.

Save 10% on parts, anytime. **

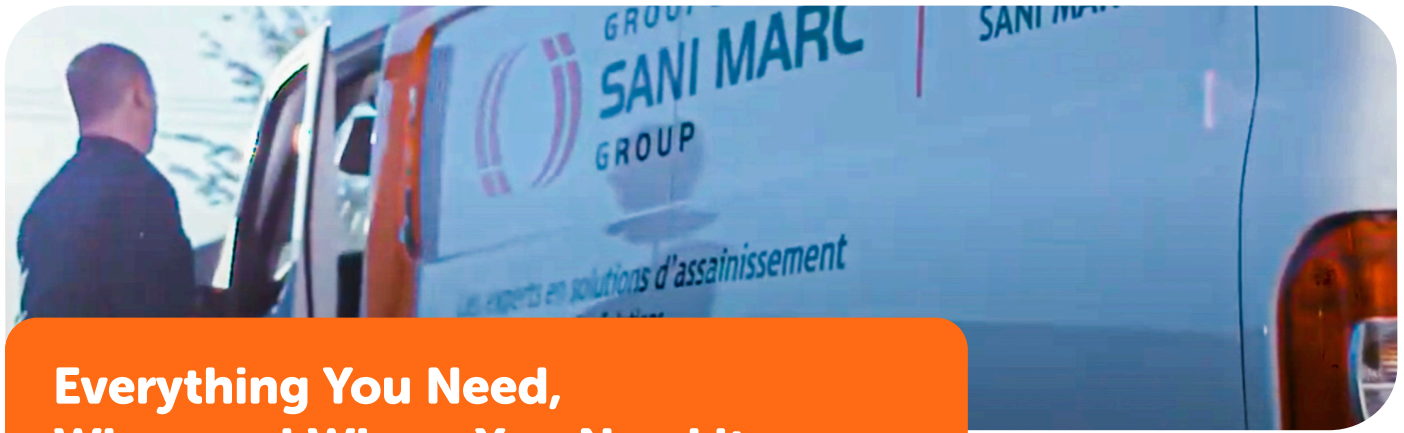

** Conditions apply. Contact your Corporate Account Manager for more information.

In 2025, 68% of our technicians' time was spent on repairs instead of prevention.

"Equipment breakdowns are inevitable. There will always be unexpected issues. But with the right preventive measures, we can reduce costly repairs, protect employees, and keep operations running smoothly."

Bruno Masson
Director of Technical Service
Brossard Branch (Quebec)
Sani Marc
